Jennifer Sklener

Jennifer had been working for Re-member since December 2007. She became involved with Re-Member through her previous church when she was approached by one of the Board Members about the possibility of working part time as our bookkeeper. She now works fulltime as our Financial Manager and has taken on additional responsibilities to ensure a successful Capital Campaign.

She has a biology degree from Grand Valley State University but has been working in the accounting field since graduation. Jennifer lives in Grand Rapids, Michigan, and telecommutes to the office. After working for seven years for Re-Member, being involved in its financial management and hearing the life changing stories of people involved with Re-Member, Jenn is looking forward to her first trip to the rez this year.

Jennifer is married to Troy. They have four children. Three of the four children are live at home and are homeschooled. She spends a majority of her time teaching, working for Re-Member, and pursuing some crafts. She enjoys polymer clay, making homemade lotions and personal care items, and cooking.

She continues to be involved with Re-Member because she believes Re-Member makes a difference in our volunteers and the Oglala Lakota.
