Jerry Bottger

Jerry has been with Re-Member since 2006. He became involved with Re-Member when he met Janet Cruze at a Thanksgiving Dinner in Gordon. Janet was working as the office manager of Re-Member and Janet told him that there was an opening for a Construction Supervisor.

Jerry lives in Gordon, Nebraska, went to Emerson Hubbard Community Schools and graduated from Wayne State College in Wayne Nebraska. He also has an Associate Degree in Electricity from Western Iowa Tech School. Following college, Jerry taught history and was also a volunteer instructor in high school speech. Since teaching Jerry has worked as a master electrician and a maintenance superintendent.

Jerry is actively involved in his local church and community. He has served as a church elder, associate lay leader and representative to the Presbytery. Jerry has also served in leadership position for several years in 4-H, on the electrical advisory board at the N.E. Nebraska Technical College and is a member of the Lions Club.

Jerry is married to Linda and she is the Pastor of White River and Mission United Methodist Church. They have two children and four foster children. Jerry has been in several theater and vocal productions. He plays bass guitar, loves poetry, singing and life... in no particular order.

He continues to be involved with Re-Member because when he “sees the little things that we do – really do make a difference in the lives of the people we work with and for – who wouldn’t get hooked?”
