Olivia Myles

There has always been missing pieces of my heritage that I have struggled to find. Re-member has been a part of helping me find those pieces. I first volunteered with Re-member in the spring of 2011. My life was changed within a week, and I knew without a doubt, that Pine Ridge and Re-member would somehow be a lasting part of my life. My experience was something I could not let go. I returned in the summer of 2012, and I became a Program Supervisor in the fall of 2013. I returned the following 3 years as a PS, all the while becoming more devoted to serving the Lakota Oyate. My commitment paved the way of me becoming the Program Manager in the spring of 2017.

It was then that I received my social work license, and I use my social work education to educate our volunteers of the causes and prevention of the devastation on Pine Ridge.

Every time I come to Pine Ridge I leave a part of myself that I cannot get back, and that is why I always return.
