Roger Myoraku

Roger started volunteering at Re-Member in 2010, joined the board in 2015, and currently serves on the Personnel Committee. Roger learned about Re-Member through his daughter's studies and quickly realized that Re-Member's mission resonates deeply with his keen sense of diversity and passion for helping others. Roger worked as a Program Supervisor at Re-Member during 2014 and 2015, which gives him a well-rounded view of the organization. Roger will also help expand Re-Member's geographical footprint as its first west-coast Board Member. Roger holds a Bachelor's of Architecture degree from Washington State University and currently works as a self-employed Home Maintenance Specialist in Menlo Park, California.
