**Re-Member** is a nonprofit 501(c)(3) organization working on Pine Ridge Reservation in South Dakota, one of the poorest areas in the country. Volunteers of all ages come to Pine Ridge for a week-long experience to do meaningful work projects and also to learn about the beautiful culture of the Lakota people. Work projects include insulating and skirting trailer homes, and the construction of bunkbeds, wheel chair ramps and outhouses. The cultural immersion aspect involves presentations by Native speakers, a visit to the Wounded Knee Memorial, pow wows, craft nights and community dinners.
